Aurora Announces Second Quarter 2022 Results

PITTSBURGH--(BUSINESS WIRE)-- Please replace the release with the following corrected version due to revisions to the second paragraph.

The updated release reads:

AURORA ANNOUNCES SECOND QUARTER 2022 RESULTS

Aurora Innovation, Inc. (NASDAQ: AUR) today announced its second quarter 2022 results. Aurora's shareholder letter, including its financial results, are available on its investor relations website at ir.aurora.tech.

"We had a strong second quarter, making meaningful progress against our ambitious goal to deploy the Aurora Driver at scale. We advanced our technology, achieved our fault management milestone, and grew our partner ecosystem," said Aurora CEO and Co-founder Chris Urmson. "The roadmap we shared today demonstrates a focused path to our planned commercialization of Aurora Horizon, our autonomous trucking product."

The company will host a business review call today, August 3, at 5:00 p.m. Eastern time. The conference call will be webcast on Aurora's investor relations website at ir.aurora.tech and an accompanying presentation has also been posted to the website. A replay of the webcast will be available for 30 days following the call.

About Aurora
