Aurora Announces First Quarter 2025 Results

PITTSBURGH--(BUSINESS WIRE)-- Aurora Innovation, Inc. (NASDAQ: AUR) today announced its first quarter 2025 results. Aurora's shareholder letter and financial results are available on its investor relations website at ir.aurora.tech.

"Aurora's self-driving trucks are now hauling commercial freight on Texas roads. Autonomous freight is no longer just a vision, it's a reality," said Chris Urmson, co-founder and CEO of Aurora. "We are the first company to operate commercial driverless heavy-duty trucks on public roads. From here we'll focus on proving the promise of the technology, increasing the value of our product for customers, and ultimately becoming an essential partner in the freight industry."

The company will host a business review conference call today, May 8, at 5:00 p.m. Eastern time. The conference call will be webcast on Aurora's investor relations website at ir.aurora.tech and an accompanying presentation has also been posted to the website. A replay of the webcast will be available for 30 days following the call.

About Aurora

Aurora (Nasdaq: AUR) is delivering the benefits of self-driving technology safely, quickly, and broadly to make transportation safer, increasingly accessible, and more reliable and efficient than ever before. The Aurora Driver is a self-driving system designed to operate multiple vehicle types, from freight-hauling trucks to ride-hailing passenger vehicles, and underpins Aurora's driver as a service products for trucking and ride-hailing. Aurora is working with industry leaders across the transportation ecosystem, including Continental, FedEx, Hirschbach, NVIDIA, PACCAR, Ryder, Schneider, Toyota, Uber, Uber Freight, Volvo Trucks, Volvo Autonomous Solutions, and Werner.
